

Pupil Premium

When a young person is admitted to The St Aubyn Centre the Head of Education asks the home school whether the pupil is in receipt of Pupil Premium and, if so, how it is being spent. The Therapeutic Education Department at The St Aubyn Centre will endeavour to ensure that the support continues.

Any Pupil Premium received by the Education Department is retrospective. We aim to identify each pupil's needs and to work to address those needs using the resources at our disposal.

In 2017-18 £4336 pupil premium was received and was used to provide 1:1 Learning Support.

In 2016-17 £1870 pupil premium was received and was used to provide 1:1 Learning Support.

In 2015-16 £4,500 pupil premium was received and was used to provide online courses and 1:1 Teaching Assistant Support.

In 2014-15 this figure was £935 and in 2013-14 this figure was £900.
