

The St Aubyn Centre Therapeutic Education Department SEND Information Report

2017

Type of school	Pupil Referral Unit
Specialist provision	<p>Tier 4 Child and Adolescent Mental Health Services In-patient Unit</p> <p>Longview – generic ward Larkwood – Intensive care and low secure</p>
School Ethos	<p>The St Aubyn Centre TED believes that all young people should be provided with appropriate education in a safe, stable, containing learning environment. Our students are given opportunities to succeed through the use of highly personalised individual education plans. We see engagement with education in the widest sense as fundamental to recovery. The Therapeutic Education Department is a fully integrated part of the multi-disciplinary professional team at the centre; the education provided is part of the treatment.</p>

<p>Arrangements for consulting with parents</p>	<p>When possible the Head of Education attends the Multi-Disciplinary Assessment when a young person is admitted to hospital. Information and concerns about education can be shared at this meeting.</p> <p>The Key teacher will contact parents within two weeks of admission (term-time). This meeting gives parents the opportunity to give their opinion about their child's educational needs and to be part of a working relationship with the school.</p> <p>Parents/carers may make contact with the Education Dept. by phone or email and key teachers will use email and phone to contact parents/carers.</p> <p>Multi-disciplinary Care Programme Approach review meetings (CPA) take place every 6 weeks. Parents have the opportunities to discuss health and educational progress of their children with senior managers and key teachers. This meeting enables the formal requirement of reporting to parents about educational progress.</p> <p>Following discharge a feedback form is sent to parents as an opportunity for them to evaluate and comment on the service they have received from us.</p>
<p>Complaints procedure</p>	<p>Almost all concerns by parents regarding the education provision at The St Aubyn Centre can be solved quickly with a discussion in the first instance with the pupil's key teacher.</p> <p>Should this concern not be resolved then parents should contact the Head of Education 01206 334685</p> <p>Should there still be a need for further consideration then the chair of the Management Committee should be contacted 01206 334685</p> <p>The Complaints Policy and Procedure can be found on the school website.</p>
<p>Higher needs support</p>	<p>If parents/carers feel their child needs a higher level of input than schools provide they should contact their local authority, eg Essex County Council, to find out about the 'Local Offer.'</p> <p>The 'Local Offer' describes the arrangements in place to identify and provide for young people with special educational needs in the authority. Local Authorities are obliged to publish this information on line.</p>

	<p>The Head of Education</p> <p>01206 334685</p>	<p>Is responsible for:</p> <ul style="list-style-type: none"> • Holding an overview of the education provided to meet the needs of all students. • Ensuring that parents/carers are involved in supporting their child's learning and in reviewing progress through the CPA process. • Attending the weekly reviews to report on your child's progress to other members of the multi-disciplinary team and to discuss how the work of the different disciplines is contributing to the overall progress.
	<p>The SENCO</p>	<p>Is responsible for:</p> <ul style="list-style-type: none"> • Co-ordinating all the support for the young people from a educational perspective and developing the PRU's SEND policy to make sure all students get a consistent, high quality response to meeting their needs. • Seeking additional support from within the Centre and/or beyond where needs have been identified but are not being met. • Liaising with the Educational Psychologist and professionals from other specialist Education services. • To provide specialist support for teachers and support staff. • Organising training for all staff in order that they feel confident to meet your child's needs. • Making sure the Management Committee is kept up to date with any issues relating to SEND.
	<p>The Management Committee</p>	<p>Is responsible for:</p> <ul style="list-style-type: none"> • Making sure the PRU has an up-to-date SEND Policy • Making sure the school has adequate and appropriate provision to meet your child's needs.

B. How could my child get help in class when in hospital?

All students will get support that is appropriate to their individual needs. This may be provided by the Key Teacher or by other members of the Education team.

Key teacher system of support to help to enable your child to access Educational opportunities available	<p>This includes:</p> <ul style="list-style-type: none"> • Initial discussion, assessments, working with your child to agree their IEP. • Verbal and non-verbal reasoning assessments with referral to Educational/Clinical Psychologist • One to one discussions to share concerns and make plans. • Linking with your child's home school • Support regarding Education at CPA review meetings. 	<p>Your child's Key Teacher will contact you.</p> <p>You will be asked how you prefer to be contacted.</p> <p>You will see your child's Key Teacher at CPA meetings.</p>
